

A Chance to Support Our Students' Activities with Transport Costs

Kia ora e te whānau,

The Onslow College PTA is a dedicated group of parent volunteers working to enrich the school experience for all our students.

This year, we have a specific goal: to support our students with transport costs for out of school activities. Out of school activities (such as Year 9 start of year activities, Year 10 end of year trips, Year 11-12 events, and Year 13 Last day activities), are a highlight for all students, but rising transport costs are increasingly making these activities difficult to access. Our goal is to remove that barrier.

The PTA has committed to fundraising \$5000 to help with transport costs for all students, ensuring that **every single student** can participate and reduce financial pressure on their whānau.

Your contribution, large or small, helps build a more inclusive and supportive community at Onslow.
