2027 Year 9 Stationery Information

Listed below are the stationery items required for 2027

- **BYOD Laptop** – Students should have a device that is a laptop form factor (screen and keyboard) and should bring it from the first day. As well as a laptop, students should bring earphones or headphones and charging cable. We advise students to clearly label their laptops. If you would like to discuss any issues associated with devices, please contact Jonathan.Wyeth@onslow.school.nz .
- **Calculators** – Scientific calculators are available for purchase from the school office. Refer NZQA webpage on approved calculators https://www.nzqa.govt.nz/ncea/subjects/approved-calculator-list/ before purchasing.
- **Ringbinders, Lever Arch Files or Clearfiles** - are required for subjects that stipulate refill as a stationery requirement.
- **Photocopying** - Available at several photocopiers located around the school using printer balance loaded onto their Student ID Card. Students can top up their printer balance at the School Office using cash or EFTPOS.
- **Student ID Card** – these are printed onto a Snapper Card. New students to Onslow College will be issued with a card and $20.00 charged to their student school account. If a card is broken or lost, replacement cards can be purchased from the School Office throughout the School Year.
